

## PROJECT PROGRESS 1

### Group Name :

YUMMY TUMMY

### Group Members :

NUR SYIFA INSYIRAH BINTI MOHAD TAIB

### Project title :

Recipes & Cooking Blog (Baking)

### Project Brief :

After some thought and research, I've decided to choose recipes and cooking blogs (baking) as my website topics because there is a lot of information to learn and I'd like to share baking recipes with all baking enthusiasts.

### Group Profile :

Task :

1. NUR SYIFA INSYIRAH BINTI MOHAD TAIB :  
Research, find resources (images, information), Website (All Pages) Documentation (Introduction, Project Profile, Purpose Statement, Ideation, Mind Map, Primary Navigation, Web Sketches, Navigation Structure, Target Audience, Storyboard, Conclusion).

-----  
Goal:

Primary :

- to share more recipes with baking enthusiasm
- to ensure users get interesting experiences and ideas from this website
- to attract more people to love baking

Secondary :

- to make the audience who is scrolling through this website happy and stress-free
  - expose them to baking skills and recipes, as well as guidance on how to choose and use baking equipment
-

Objectives :

- Include images of the recipes
- Include videos on how to design a cake
- Giving ingredients & instructions of recipes
